

Individual Product
Enrollment Information

Complete the individual Enrollment application.

In section 6 on the application indicate the method of payment, either ACH or Credit card.

If you choose the ACH payment option, we will require a check for the initial 3 month period of coverage along with the application. After that initial period we will then automatically debit your account on the 20th of the month prior to the month of coverage starting with the 4th month of coverage.

If you choose the credit card payment option, we will initiate a debit entry for the initial 3 month period, and then monthly on the 20th of the month prior to the month of coverage starting with the 4th month of coverage.

If you have current group dental coverage we will need proof of coverage from the group carrier including information on covered benefits, when coverage was effective, and when coverage terminated, if you would like Momentum to consider waiving policy waiting periods.

If you have prior individual coverage we will require proof of coverage from your individual policy carrier including information on covered benefits, when coverage was effective, and when coverage terminated, if you would like Momentum to consider waiving policy waiting periods.

Do Not cancel any existing dental coverage until Momentum Insurance Plans, Inc. has approved your coverage.

Submit your application, Initial 3 month's premium or credit card information, and documentation to:
